

2022 NAVCON Sponsorship Package

WWW.AFROVEGANSOCIETY.ORG

ABOUT THE CONFERENCE

The National Afro-Vegan Conference Virtual Summit is a free online event featuring guest speakers, plant-based chefs and professionals who promote plant-based eating and vegan living as a solution to many of the global challenges we currently face. Each NAVCon panel discussion, presentation, interview and cooking demo is designed to provide participants with insight, inspiration and practical skills to begin transitioning to vegan living. This years theme is **We Can All Be Changemakers** to inspire our community to start where they are and use what they have to become an agent of change in their community.

WHAT ARE YOU SUPPORTING?

Speakers

Our speakers include activist, leaders and experts on plant-based nutrition and sustainable living who share practical tools for transitioning to veganism.

Interactive Cooking Demos

Our cooking demos are conducted by chefs, restaurateurs and caterers whose interactive cooking demos give participants a jumpstart on healthier eating.

Panels

Our panels include activists and influencers who share their expertise on food access and making vegan living more accessible.
